

# CUT THE CORD

## Your TV—Your way!

Fiber Internet is the fastest, most reliable solution for delivering HD streaming TV from all of your favorite channels and online services including Netflix, YouTube, Amazon, Hulu+Live, ACCN, ESPN, and Disney+.

- ▶ No data bottlenecks
- ▶ No shared bandwidth
- ▶ No annual contracts
- ▶ TV setup is easy
- ▶ Change selections whenever you want
- ▶ Each family member has their own custom service arrangement

**You own it:** With a WideOpen Internet fiber connection you own your entire installation. Choose your local channel provider for a month, a year or a decade. You decide.

*Every channel  
you watch is  
available through  
streaming video.*
